REPORTS TO: Director of Community Engagement

STATUS: Full Time

Organizational Background
Urban Edge is one of the largest not-for-profit community development corporations (CDC) in Massachusetts. We are located where Boston’s Latin Quarter meets its historic African-American neighborhood, at the crossroads of Jamaica Plain and Roxbury, in Jackson Square. Our goal is to foster diverse urban neighborhoods of choice populated by resilient families and sustained by dynamic webs of community relationships. To achieve this goal: we build quality affordable housing for low and moderate income households; we advise hardworking families on homeowner services, financial education, taxes, and student loans; and we organize neighbors to become leaders of community change.

To date, we have developed nearly 1,500 units of affordable housing and we maintain a portfolio of 1,320 units. Residents of our housing and our community are diverse and multilingual. More than fifty percent of the families that live in Urban Edge housing identify as Latino (55%); 37% are Black; 2% are White; and 6% fall into more than one category, or identify as “other.” In 2020, we anticipate serving more than 2500 families. Urban Edge has a 2020 annual operating budget of $4.5 million, and a staff of 29.
